

2027 Parent Payment Arrangement

Dear Parent/Carer,

We would like to advise you of Bentleigh Secondary College's voluntary financial contributions for the 2027 school year.

Schools provide students with free instruction to fulfil the standard curriculum requirements, and we want to assure you that all contributions are voluntary.

At Bentleigh Secondary College, we believe that education is about more than what happens in the classroom. It is about giving students opportunities to discover what they are capable of, develop their strengths and skills, and build confidence for their future.

The voluntary support of our families helps us make these opportunities possible, and help us to:

- Invest in educational opportunities and resources that are comparable in quality and diversity to those offered by neighbouring schools,
- Effectively deliver subjects that require practical materials for student use, such as Science, Food Technology, Woodwork, Media, Visual Communication Design, Art, and Studio Art,
- Support enhanced student learning programs and enriched opportunities,
- Deliver initiatives that strengthen student wellbeing, engagement, and learning outcomes,
- Enhance digital learning through continued investment in technology infrastructure, including reliable and high-speed Wi-Fi access.

We encourage families to make a voluntary contribution where they are able, through the Compass Portal via the Payment Centre, by direct deposit, or by contacting the College directly to arrange payment by credit card or cash.

Every contribution makes a difference. Together, the support of our school community helps us create a richer learning experience and provide opportunities that allow every student to learn, grow, and thrive.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Thank you for your continued partnership and support.

Yours sincerely,

Mr Tristan Lanarus
Acting Principal

Ms Yvette Herff
School Council President
