

PAC

Building works are continuing well with the September completion still on track. The stage is nearing completion.

HONG KONG INTERNATIONAL RECRUITMENT TOUR

Hong Kong has emerged as target market for Bentleigh Secondary College, Enrolments from International students continue to increase, and we are now seeking host families to look after students. I visited two schools that had a specific emphasis on STEM:

- Bishop Hall Secondary College
- Shung Tak Catholic English College

The fair was well attended and visited agencies to share what Bentleigh can offer.
