Bentleigh Secondary College places great emphasis on students working to achieve their very best, and on students challenging themselves.

Welcome Back

I hope everyone had a safe, relaxing and enjoyable holiday. I look forward to another exciting and productive year of teaching and learning at Bentleigh Secondary College. Our 2015 VCE results were excellent and we congratulate all the students. Our results with a median study score of 30, demonstrates our commitment to continual improvement. I would like to acknowledge the exemplary work by all teachers and educational support staff to ensure the school is recognised as a provider of exemplary government education characterised as a hub of educators, learners and leaders. Mrs Jenny Muir - Adolescent Health Nurse

On a very hot Sunday the 30th of January, the annual Gay Pride March took place in St Kilda. The Safe Schools Coalition was marching and invited students to participate with them. Students from Bentleigh Secondary College proudly marched carrying our school banner. We were joined by Mrs Joanne Antcliff our School Council President, past and present students, Ms Watt and Pam Muldeary from Bentleigh Bayside Community Health Service. We carried the banner with pride and were often acknowledged by the crowd. It was a great deal of fun! Well done everyone!

Senior Maths Years 10, 11 and 12

Dr Wendy Taylor - Head of Mathematics Learning Area

Parents and students are reminded that students need a **CAS TI-Nspire** calculator for Maths in the Senior School. The models have changed over the years and on the booklist we have the latest version, CAS TI-Nspire CX. Staff at the college will have these calculators however, the earlier versions you may have which are TI-Nspire CAS touchpad or TI-Nspire CAS (grey) versions are fine to use. Assessment Tasks will be set this year requiring students to use the CAS calculator. Please ensure students have the calculator for classes.

Welcome to 2016

A warm welcome back to all students, parents and staff to the 2016 school year at Bentleigh Secondary College, in particular, to all new students and families commencing at the college, including our new Year 7 students. We look forward to a great start to the year!

Year 7 Music Recruitment Night

We held our Year 7 Recruitment Night in the Performing Arts CFA last night Monday 8 February. It was a great opportunity for our new students to come and see the large array of musical instruments to choose from. Thank you to Mr Andrew Albanis, the Head of Music, for organising and running this night, and to all of the music staff and students who help make our music program great.

Year 7 Camp Rumbug

Camp Rumbug is Wednesday 17 to Friday 19 February. Please make sure all camp and medical forms have been filled out and returned to the General Office.

School Photograph Packages

School photos were taken on **Monday, 1st February 2016** for all students, including Student Leadership Groups. Please contact MSP Photography directly on: (03) 9466 7331 if the photo envelope was not handed in on the day.

Bringing Personal Goods to School

We have again been asked by the Department of Education and Training (DET) to remind students, parents and staff that schools and DET do not hold insurance for personal property brought to school.

There is no capacity to pay for any loss or damage to property such as mobile phones, calculators, sporting goods etc. Families will need to organise private insurance to cover the loss or damage of any private property brought to school. If students are bringing large sums of money to school for payment, these payments should be made before school from 8:30am.

Student Accident Insurance

The Department of Education and Training (DET) does not provide personal accident insurance for students. Parents and guardians are generally responsible for paying the cost of medical treatment for injured students, including transport costs. Student accident insurance policies are available from private insurance companies. These cover a range of medical expenses not covered by Medicare.

Junior Maths Enrichment Camp

Dr Wendy Taylor - Head of Mathematics Learning Area

Over four days during Early Commencement, twenty Junior School students, seven University of Melbourne trainee teachers, Dr Binge and I were involved in the Junior Maths Enrichment Camp. It was held in the Meditation Centre and students worked on multiplication and division strategies, real world worded questions, investigations and enjoyed an afternoon of maths games. The students' daily reflections were telling of the great leaps they were making in their learning and confidence. The University helpers were incredible, continuously adapting the program to cater for individuals maximising the impact of the program. Dr Binge's excellent organisation ensured the program ran smoothly and her small group work always pushed students to the next level. I thank Ms Helene Hiotis for suggesting the idea and her constant support of the program, Mr Bill Thomas for the photos and Mrs Jane Kramer for keeping us well fed! A super big thank you to the students involved - their efforts, engagement and commitment to learning was exceptional!

- Kon: *I enjoyed the learning multiplication skills, because there were some skills I didn't know but now I do.*
- Dean: *I got better at times tables and division and enjoyed the worded questions.*
- Zac: *I learnt things I could never do, like multiplication and long division in my head.*
- Kosta: *I enjoyed the arrays and moving the counters around, they helped me multiply.*

Step 2: Use your Edrolo account 24/7! You can login anytime from Edrolo.com.au using your email address & the password you chose when completing Step 1.

If you know that there are any issues with the subjects you're enrolled in, please let Ms Keep know.

2015 VCE Results and Tertiary Success

We would like to congratulate the class of 2015 on their outstanding VCE results. The cohort had a median study score of 30 with 5.4% of scores 40+. This is our highest in recent history and compared favourably with like for like schools. We had some excellent achievements with our students going on to tertiary studies. There were 96 VTAC applications (students who applied for tertiary places), 88 of those students received offers which represents 94.19% of the applicants. The college would like to recognise the efforts of these young people, the hard work and dedication of our teachers and the support of you, the families. Without this partnership, students will not achieve their potential so let's work together to make 2016 a great year for our students.

Senior School Handbook

All senior students have received their handbook. It contains policies, dates and advice for students of Senior School studies in 2016. It has been compiled from school policies and the guidelines set out in the VCE Administration Handbook 2016 published by VCAA. I suggest all students and their parents/guardians read through it carefully.

Term 1 Working Bee

The Term 1 Working Bee is to be held on Sunday 28 February and provides our school community with optimum conditions for tree planting. Parent, student and teacher involvement in working bees has not only created a very strong community spirit at Bentleigh SC, but has led to the establishment of an urban forest, Year 7 harvest garden, VCE garden, Japanese garden and Wetland precinct. The numerous awards we have received are a direct attribute to the work you have done in working bees. We look forward to seeing a record attendance at our Term 1 Working Bee. Morning tea and a barbeque will be provided. The working bee starts at 8:00am and finishes at 12 noon. Any time you are able to give will be greatly appreciated.

Facilities

The college is fortunate to have Nick Tzovaras in charge of maintenance. He had a busy job completing and managing numerous works, including the new fence, over the holidays. His hard work is always appreciated. We also have twenty one new TVs being installed around the college to assist in more dynamic teaching and learning.

Slow Down, School's Back!

School speed limits apply outside every school in Victoria to increase the safety for our most vulnerable road users - children. Speed limits are reduced to either 40km/h or 60km/h outside schools in the morning from 8.00am to 9.30am and in the afternoon from 2.30pm to 4.00pm. For information on school speed zones, visit the VicRoads website. While you're there, check out their fun and informative road safety apps.

Dropping Off and Picking Up Students

To avoid traffic congestion and the associated increased risks to student safety, it would be appreciated if you could use the alternative Chesterville Road entrance for dropping off and picking up family members.

Under no circumstances should parents use the administration car park unless they have a disabled child and can display the appropriate pass.

Please note you may drop off/pick up for a period **not** exceeding two minutes on the western side of Vivien Street and the southern side of Clarence Street. Residents' driveways should not be obstructed. Parking officers are in the area regularly taking photos and booking drivers who double park even for a moment.

Brainy Cake

Sarah Cermak of Year 11 made this incredible brain cake made out of red velvet cake with jam and fondant rolled into tubes, for a Year 11 Units 1 and 2 Psychology assignment. Those who were game enough had fun eating the cake. Sarah is pictured below with Lovina Peate holding her brain cake.

Student Leadership

The college received a record number of applications for student leadership positions in 2016. Students submitted a written application followed by an interview if they were shortlisted. Congratulations to all students who applied. I would now like to take this opportunity to introduce our student leaders.

Year 12 Motivation Day

Mr Luke Brookman and Mrs Vikki Elliott - Heads of Year 12

On Friday 29 January, all Year 12 students attended 'Motivation Day' at Bentleigh Secondary College. The day had a host of guest speakers and activities, and even included a one hour presentation by Tristan Miller. Tristan is renowned for completing 52 marathons in 52 consecutive weeks, and delivered an inspirational speech about resilience, goal setting, and pushing yourself beyond your abilities. The key strategies for VCE success mentioned throughout the day included:

- **Free sitting** - sit near students who will encourage your learning
- **Goal setting** - when doing an assignment write the grade you want to achieve at the top of the page and strive to achieve it. Study goals should be learning key concepts not time related. A concept may take ten minutes or an hour to learn, time is irrelevant.
- **Organisation** - make the most of class time by pre-reading and working until the bell goes.
- **Networking** - create a network of experts you can get help from for each of your subjects.

New Puppy

Mrs Linda Richardson - Laboratory Technician

The first day of school saw us with a new recruit in the form of a ten week old Golden Labrador named Silky. She is the ninth puppy the school has had enrolled for the duration of her 'L' plates before going in for formal training at Seeing Eye Dogs Australia. We still has Allie (now 11 months) as her mentor and assistant trainer to help her get into the school routine. Last week both puppies visited the school swimming carnival for a short while to experience the atmosphere and cheer on the students in the pool. They were disappointed there was no 'Doggie Paddle' so that they could have joined in. Silky has settled in well and with approximately fifty new students on the roster to meet and play with at recess and lunch time they are extremely happy little girls. Today they are attending their first whole school assembly and Silky will experience her first musical performance. Let's hope she enjoys it.

Careers News

Ms Kirstin Conway - Careers and Pathways Coordinator

Australian Air Force Cadets 417 (City of Bayside) Information Evening and Open Day

Interested students and their parents were encouraged to go visit and see some of the range of activities the cadets undertake at the Recruitment Information Evening which was held on Monday 8th of February between 6:30 and 8pm.

The Open Day is on Saturday 13 of February between 10.00am and 4.00pm at Labuan Barracks, 67 Royal Avenue Sandringham. More information is available from the Australian Air Force Cadets website at www.aafc.org.au.

Tax File Number (TFN)

Students require a tax file number when they gain employment and all students planning on a tertiary education require one when they start.

Importantly, current Year 12 students are reminded that they will need the TFN when they enrol in a CSP (Commonwealth Support Place) course at university, so it is worthwhile getting an application submitted early.

Students must apply for a TFN online and have their identity verified through an interview at a participating Australia Post office. To apply and also to find out about participating Post Offices, visit TFN Application on <http://auspost.com.au/travel-id/tax-file-number-applications.html>.

Year 10 Work Experience

Year 10 students are encouraged to finalise their Work Experience placement by no later than the end of Term 1. Once this has been organised, please ensure the placement form has been completed by all parties and returned to the college ASAP.

Year 12 Undergraduate Medicine and Health Sciences Admission Test (UMAT) 2016

Year 12 students should note that applications to sit the UMAT 2016 are now open and registrations close on Friday 3 June 2016 at 5.00pm sharp! Students should also note that results from UMAT 2016 can only be used for undergraduate medicine or health science courses beginning in 2017 but not 2018. Students should not register for UMAT2016 unless they are planning to apply for a course commencing in 2017 and they meet the eligibility criteria specified in the UMAT2016 Information Booklet. For more information, and/or to apply visit UMAT 2016 or call (03) 8508 7643.

Camps, Sports, & Excursions Fund (CSEF) 2015 & 2016

2015 - CSEF credit

Allocation of your CSEF credit will require the following action:

- Print off and complete the Compass event consent form and include the notation 'Please use CSEF' under your signature.

2016 Camps, Sports & Excursions Fund (CSEF)

CSEF will be provided by the Victorian Government to assist eligible families to cover the costs of school excursions, camps and sporting activities. If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. MUSIC NOTES

Mr Andrew Albanis - Head of Music Program

We welcome two new Instrumental Music staff for Semester 1, Ms Mary Farrow - Clarinet & Oboe, Ms Serena Thean - Clarinet and Saxophone.

Ensembles begin rehearsing this week so please make sure that times and days are checked as there are changes to the ensemble timetable.

Recruitment Night

Recruitment Night was a huge success last Monday night with many enthusiastic Year 7 students trying the various instruments we have on offer at the college.

The Choir incursion will be on Monday 15 February. Rehearsals and workshops will run from period 3 until period 6. There will be a performance at 5:00pm for family and friends.

World Champion Speed Stacker

Mrs Sue Blackmore - Head of Year 7

Will Mounter, a Year 7 student will be heading to Germany in March to represent Australia in the World Championships of Speed Stacking. He became the Under 12 Australian Champion in October 2015. This is a fantastic opportunity for Will who, unfortunately needed to give up contact sport due to a medical condition and became immersed in something that he found he was good at as well as it being the best therapy.

The Stackaroo is not sponsored, so in order for Will to get to the Championships his family is looking to raise funds through a Go Fund Page. Will's Go Fund me page link is: www.gofundme.com/sjdkzm5c

It would be great to see that we as a community could assist Will and his family with the costs of participating in these Championships.
