

During my walks around the College, I have seen high levels of student engagement and connectedness. The students have settled quickly into their classes and embedded positive work habits. The students have now completed six weeks of learning (four from 2023 as part of our early Commencement Program and two this year).

30!!! Brilliant!!

And 30% over 80 – what a pair of 30s!

That's fantastic, Helene – I'm so pleased!
